

# CLEANING MANAGEMENT SYSTEM

#16 No Rinse Sanitizer is designed to be used with the Cleanworks® Cleaning Management System. The system dispenses precisely diluted sanitizer with the touch of a button...ready to use. Highly concentrated formula saves storage space and helps reduce disposal costs. Cleanworks® is simple, accurate and user friendly.

The cleanworks® Cleaning Management System is subject of U.S. Patents No. 5037003, 5083677, & 5228598

# 16 NO RINSE SANITIZER

## Why it's a better cleaner

- The Cleanworks® System dispenses it right...every time.
- For hard, nonporous surfaces not requiring a rinse -
  - Multiple uses -Sanitizes precleaned surfaces - Food contact surface sanitizer
  - Effective in 500 PPM hard water against Escherichia coli O157:H7 and Staphylococcus aureus

## How it cleans

### SANITIZE HARD WASHABLE SURFACES

Dispense sanitizer into clean properly labeled container.  
Thoroughly wet surface for at least 60 seconds.  
Allow surface to air dry. **Do not rinse.**

Prepare a fresh solution daily or more often if solution becomes visibly diluted, clouded or soiled.

Dispense 2,565 quarts or 641 gallons of ready-to-use sanitizer from the 1.25 gallon concentrate of Cleanworks® #16 No Rinse Sanitizer.

## Where it cleans

- Food preparation areas
- Food processing equipment
- Dairy equipment
- Food cooking utensils
- Silverware and glasses
- Sink and counter tops
- Refrigerated storage
- Display equipment
- Beverage dispensing equipment
