

CLEANING MANAGEMENT SYSTEM

20 BONNET/PRE-TREAT CARPET CLEANER

Why it's a better cleaner

The Cleanworks® System dispenses it right...every time.

- Special blends of solvents and detergents - Acts like a dirt magnet
- Less residue - Slows resoil rate
- Water based, nonflammable - User friendly
- Dries quickly - Saves time

#20 Bonnet / Pre-Treat Carpet Cleaner is designed to be used with the Cleanworks® Cleaning Management System. The system dispenses precisely diluted cleaner with the touch of a button...ready to use. Highly concentrated formula saves storage space and helps reduce disposal costs. Cleanworks® is simple, accurate and safer to use.

How it cleans

Dispense precisely diluted carpet cleaner into clean mop bucket or into properly labeled #20 spray bottle.

•For bonnet application; immerse bonnet, wring most of the solution out, place under machine, run machine until bonnet is dirty. Repeat.

•For pretreating before carpet cleaning; spray soiled areas with trigger sprayer or pump up sprayer. Do not over use or saturate carpet. Product and dissolved soil will be removed by the carpet cleaning process.

•For spot treatment with no carpet cleaning procedure; spray unto soiled area, agitate soiled area with rag or soft bristled brush, blot dry with absorbent material.

Dispense 28 gallons of ready-to-use shampoo/cleaner from the 1.25 gallon concentrate of Cleanworks® #20 Bonnet / Pre-Treat Carpet Cleaner

Where it cleans

Recommended for any carpeted area:

- Offices
- Hotel rooms
- Restaurants
- Public areas
- Traffic lanes
