22 FLOOR REVITALIZER

Why it's a better cleaner

The Cleanworks® System dispenses it right...every time.

- Water-based, Non-flammable - User friendly
- Repairs scuffs/abrasions - Restores shine
- Dilutable - Economical
- Gives lubricity to high speed machines - Save labor and machine wear
- Prolongs life of floor finish - Saves money
- Versatile - For machine or manual applications

How it cleans

Place wet floor signs in area to be cleaned. Remove gross soils and debris.

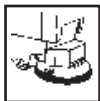

Dispense precisely diluted floor revitalizer into clean mop bucket or auto scrubber tank.

BUFFING TECHNIQUES:
Apply solution to floor with mop. Allow to dry, then buff or burnish.

To treat scuffs or heel marks, spray areas with trigger sprayer. Pass the machine over the area twice to heal scuff and bring up gloss. Continue the buffing process.

AUTOMATIC SCRUBBERS:
Apply automatically diluted solution according to manufacturers instructions.

Dispenses 125 gallons of ready-to-use floor revitalizer from the 1.25 gallon concentrate of Cleanworks® #22 Floor Revitalizer.

Where it cleans

Use in high traffic areas on finished floors:

- Restaurants, hotels, motels, offices
- Hospitals, nursing homes, doctors offices
- Schools, universities, child care centers
- Grocery stores, malls, retail stores
